Ideally situated off the A9 just 15 minutes south of Perth and 5 minutes north of Auchterarder and the Gleneagles golf courses, Kilrymont offers 4 star B&B accommodation in a newly built (2003) detached house with splendid views of the Ochill Hills and Craig Rossie in the foreground.

Tona and Charlie have been involved in the bed and breakfast business for some fifteen years having previously run the successful 4 star Corshill Cottage between Stirling and the Trossachs.

We take pleasure in making our guests welcome and are happy to help you plan your visit to this lovely area.

## PLACES TO VISIT

Perthshire is renowned for its scenic beauty and there are many attractive towns and villages to visit. Pitlochry - salmon leap and festival theatre, Crieff, Dunkeld - cathedral - and, of course, Perth itself, the Gateway to the Highlands.

- Stirling (30 minutes away) - the old capital of Scotland is steeped in history.
- Edinburgh and Glasgow are each but an hour's drive away, or you can take the train from Gleneagles station.
- The old cathedral city of St Andrews is just over an hour away. A day's outing would take you there, calling in at Falkland Palace on your return.
- Blair Drummond Safari Park, Doune Castle and the Scottish Antiques Centre are but 30 minutes away.

For the energetic there is hill-walking (the summit of Craig Rossie takes about two hours from the house and the views from the top of the Ochills, Dundee and the Tay Bridges are well worth the walk).

The area abounds in quality golf courses which are reasonably priced - and there are weekly tickets available to play on a variety of courses. For the more dedicated golfer, as well as the famous links at St Andrews, Gleneagles is just five minutes away. Golfers please note - we can arrange tee times in advance at several local courses - sometimes with reduced fees. Please ask if interested.

## DIRECTIONS

Aberuthven is on the A824, a sliproad off the A9. Travelling north on the A9 exit at sign for Aberuthven/Auchterarder. Drive through Auchterarder and Aberuthven is some two miles north on the A824. Kilrymont is the second house on the left as you enter the village. Travelling south on the A9, exit right across dual carriageway (take care) and travel through the village - we are last but one house on the right.
